PERSONAL STATEMENT

Versatile broadcast and media professional currently working as a Morning Broadcaster / Anchor / Reporter with My Broadcasting Corporation in Cobourg, following a successful Pembroke assignment that began in December 2024. Background includes radio and online news, on-air announcing, interviewing, story development, scriptwriting and multimedia production. Skilled at researching, writing and editing regional, national and international stories for on-air and online audiences while supporting clear liaison among media outlets, internal teams, stakeholders and the public.

CORE QUALIFICATIONS

- Current Morning Broadcaster / Anchor / Reporter with My Broadcasting Corporation in Cobourg, following a Pembroke assignment that began in December 2024.
- Experienced radio announcer delivering news, sports and weather updates across multiple Ontario markets.
- Skilled in compiling, writing, editing and producing prerecorded morning newscasts and online news content.
- Experienced in initiating, scheduling and conducting in-person and remote interviews for on-air and digital stories.
- Media liaison and public-facing communicator supporting timely, accurate information for audiences, stakeholders and community partners.
- Strong background in broadcast journalism, source verification, media production and digital storytelling.
- Proficient with WireReady, PlayoutONE, SoCast, Adobe Acrobat Recording/Editing Suite, WavePad, MixPad and Microsoft Office.
- Committed to accuracy, fairness, impartiality, media ethics and professional standards.

BROADCASTING EXPERIENCE

My Broadcasting Corporation — Cobourg, Ontario

Morning Broadcaster / Anchor / Reporter | *September 1, 2026 – Present*

- Continue in the same broadcast/news capacity following transfer from the Pembroke market to Cobourg.
- Deliver on-air news, sports and weather updates for 93.3 myFM Cobourg and 107.9 Northumberland's Classic Rock.
- Research, write and publish local and regional news stories for NorthumberlandDaily.ca.
- Prepare morning broadcast content, including story selection, writing, recording, editing and digital-file upload.
- Initiate, schedule and conduct in-person and remote interviews with community leaders, organizations and news subjects.
- Support timely public information and media communication through clear, audience-focused reporting aligned with MBC guidelines.

My Broadcasting Corporation — Pembroke, Ontario

Morning Broadcaster / Anchor / Reporter | *December 2024 – August 2026*

- Anchored and produced weekday morning news, sports and weather updates for 104.9 myFM Pembroke, with prerecorded updates airing from 6:00 a.m. to 8:30 a.m.
- Wrote and edited online news content for PembrokeToday.ca, covering regional, national and international stories.
- Initiated interview-based coverage by researching, scheduling and conducting in-person and remote interviews for daily news.
- Recorded, edited and uploaded broadcast-ready audio and digital files for scheduled airing.

Technical platforms: WireReady Broadcast Automation System; PlayoutONE live-to-air software; SoCast Digital Publishing Platform; Adobe Acrobat Recording/Editing Suite; WavePad Audio Editing Software; MixPad Multitrack Audio Editing Software; Microsoft Office Suite.

CORUS Entertainment — 101.5 “The Wolf” / 100.5 “Fresh Radio”

News / Sports / Weather Announcer | *November 2021 – April 2023*

- Researched current events, community stories, sports updates and weather information for broadcast.
- Prioritized timely stories, vetted sources and rewrote news copy into concise radio format.
- Recorded and edited broadcast segments using the Burli newsroom system.

CHEX / Global TV

Assignment Editor

- Assigned stories to reporters and videographers for daily newscasts and supported newsroom workflow using Open Media.
- Sourced local story ideas, contacts and community leads while collaborating with Global National News Desk affiliates.

105.9 “The Region” – Durham College Professional Placement

Chase Producer / Street Interviewer | *March 2021 – May 2021*

- Booked guests, conducted on-the-street interviews and produced community-focused broadcast segments.
- Wrote, recorded and edited interview scripts and on-air promotional spots.
